

Crane Data Application Sheet

Please supply as much of the following information as possible to help properly define and size the requested crane.

1. LOADS AND REACH

Maximum reach _____ Load at this reach _____
Minimum reach _____ Load at this reach _____
Other load requirements: _____ lbs. at _____ ft.

2. BOOM TYPE

Fixed Boom _____ Telescopic Boom _____ Knuckleboom _____

3. MAIN WINCH REQUIREMENTS

Hook Speed _____ Hook Travel _____
Specific Wire Rope Required? Specify _____
Constant Tension or Motion Compensating? _____

4. AUXILIARY WINCH REQUIREMENTS

Required? Yes _____ No _____ Maximum Load _____
Minimum Line Pull _____ Line Speed _____

5. ROTATION

Continuous? Yes _____ No _____ Degrees _____

6. SPEEDS

Swing _____ Luffing (Topping) _____ Extension _____

7. CONTROLS

Standard Crane Mounted Controls _____ Remote _____ Dual
Electric _____ Hydraulic _____

8. HYDRAULIC POWER UNIT (HPU)

Crane Mounted _____ Remote Mounted _____
Electric Powered _____ Diesel Powered _____
Voltage / Current Available _____
HPU Furnished by Customer _____ Flow / Pressure Available _____

9. PEDESTAL MOUNTING

Welded to Deck _____ Flange Mounted with Bolts _____
Does pedestal extend below deck? Yes _____ No _____ If yes, how far?

10. CERTIFICATIONS REQUIRED

ABS _____ API-2C _____ Lloyds _____ Other _____ None

11. LIST AND TRIM CONDITIONS (or Sea State) _____

GREEN MARINE & INDUS. EQPT. CO
1111 Central Avenue
Metairie, Louisiana 70001
Ph# 504-833-7386
Fax# 504-834-1153

12. HEIGHT RESTRICTIONS

Does Crane or Pedestal have any overhead height limitations?

Describe _____

13. TELESCOPIC BOOM

Does the boom need to Extend and Retract under any load?

14. OPTIONS REQUIRED

Cab _____ Cage _____ Lights _____ Anti-2-Block _____

Swing Stops _____ Load Moment System _____

Winch Down Stop _____

Hazardous Zone(Explosion Proof) Area? Yes _____ No _____

15. OTHER MISC. INFORMATION _____

NAME _____ DATE _____

COMPANY _____

PHONE NO. _____ END USER _____
