Cush-A-Grip®

One Clamp Fits Many Sizes!

Cush-A-Grip® is available in a variety of sizes. Patent pending.

Part #	O.D. Tube Sizes	Pipe Sizes	Metric Sizes	Diameters
CG-10	1/4" 3/8" 1/2"	1/4"	6mm - 14mm	.25 - .54
CG-20	5/8" 3/4" 7/8"	3/8" 1/2"	15mm - 22mm	.62 - .87
CG-30	7/8" 1" 1-1/8"	3/4"	22mm - 28mm	.87 - 1.12
CG-40	1" 1-1/8" 1-1/4"	3/4" 1"	26mm - 32mm	1.00 - 1.31

Multi-size adjustment capability allows four clamp sizes to fit fifteen sizes of tube and pipe. (Not including metric sizes.)

FEATURES

- Ten sizes of tube
- Five sizes of pipe
- Diameters from .25" to 1.31"
- Metric sizes from 6mm to 32mm

ADVANTAGES

- Reduces inventory SKUs
- Fewer parts needed on the job
- Simplifies take-offs and requirements on projects using both tube and pipe sizes

BENEFITS

- Lowers overall inventory costs
- Always have the right clamp on hand when you need it
- Job costing made easier and more accurate

Made from high-strength, temperature-adverse, UV resistant, nylon reinforced TPE material.

FEATURES

- Non conducting
- Corrosion resistant comparable to special metals

ADVANTAGES

- Pull out and slip loads rival that of steel
- Permissible outdoors
- Temp range: 380°F to -40°F
- No galvanic reaction
- Will not rust

BENEFITS

- Use in place of steel clamps with steel tube
- Multi-environmental
- Covers a wide range of applications and maintains thermal barrier
- For use on copper tube
- Use in place of stainless, aluminum, PVC or hot dipped galvanized clamps

Comes complete with stainless steel bolt and captured nylon lock nut.

FEATURES

- Hex slotted machine screw
- Captured nylon lock nut

ADVANTAGES

- Industry standard hardware
- Easy installation

BENEFITS

- Works with screw or nut driver
- Resists vibration

The effects of vibration, shock, surge, galvanic corrosion and unwanted noise are a major concern when installing pipe, tube or hose. Improper clamping invites line failure and potential problems. However, new developments in cushioned clamping from ZSi provide a superior clamping system to effectively combat these effects.

ZSi's products have earned a well-deserved reputation for unparalleled quality. And as the needs of industry change and develop, ZSi will continue to respond with their outstanding line of products.

Today and in the future, ZSi's commitment remains the same: to produce quality products that solve problems and save money.
